Additional Information

Portland Code Camp is produced by and for the community of software developers and affiliated disciplines. Event sponsorship does not entail oversight or selection of topics or content.

Payments to, and accounting for the event is Portland Code Camp, an IRS 503(c)3 educational charity. Payments can be made by credit card online using Paypal or by check.

While Code Camp requires funds to operate, sponsorship is also accepted in the form of in-kind contributions where the goods or services provided are those required for Code Camp. We are especially interested in community groups helping plan and publicize the event. If you have any questions about how you can help, please contact us.

Thank you for supporting Portland Code Camp 2011!
